# JOSEPH BIEKER

joebieker.com | joebieker2486@outlook.com | (402)245-7857

College student with a passion for coding, data, and problem solving.

## 1. EDUCATION

- **Benedictine College** – Atchison, KS
    - Major: Computer Science
    - Data Analytics courses have given me thorough experience in Excel, Tableau, and SQL

## 2. EXPERIENCE

- **Podium Education** - Academic Support Specialist - (2021-Present)
    - Helped students learn and understand concepts relating to data analytics, web development and digital marketing; all while keeping one of the highest student support ratings. Also worked with the video production team and helped manage their video database.
- **Alien Innovations** - Video/Web Consultant - (2017-Present)
    - Created and maintained a YouTube channel for company videos as well as created a website for a new product line, giving advice on how to market and improve the new product line
- **Benedictine College Murphy Rec. Center** - Shift Manager - (2020-2021)
    - Worked at the front desk answering phone calls and checking people in
